Your patient arrives 2 hours early and you are running 2 hours late	CODE BROWN	No Electricity No problem I have a FLASHLIGHT	You are called out of your room for a URGENT refill of pain medication and the patient was last seen in 2002	Patient has a 3 page single spaced typed sheet of symptoms
Hydrocodone Tramadol Morphine Oh My!!	You have not checked TMS in a while and you have 27 new items that need to be completed this week	Someone forgot to lift the handle and there is no air freshener in the bathroom	Family member speaks for patient the entire visit	Walk In arrives at 4:25
You arrive home and realize that you left your PIV card in the Keyboard!!	Your patient has Bed Bugs Scabies & Lice	FREE SPACE	Fasting Lab shows up and has had a Small breakfast at IHOP	Patient arrives wrong month day and time and demands to be seen
Patient complains about waiting 2 months to get in but has no showed 5 times	You are on a call with a "Opportunity Patient" and the phones go down.	Patient gives you a hug and a tap on the bottom	Obese patient eating bag of Spicy Sweet Chili Doritos is here for BP check (forgot BP Log)	Patient is waiting for you in the parking lot by your car
OOPS the computers are down :)	Forgot your lunch and eat the leftover Donuts in the Lounge	Spent Lunch break working on Alerts but you still have 5 more pages to go...	Your patient wants to talk Politics....	New Demented patient shows up alone with no records
