tired no matter how much sleep they get	"natural" makeup	clingy	obsesses over music for 2 days then forgets about it	loves hamilton
broadway!	takes everything personally	needs™ to be liked by everyone	always the one who cares more	no one realizes they play piano
quits as soon as things get hard	vegetarian	@alekswatkins bingo	awkward in social scenarios	grandparents > parents
has to be the best at everything they do	plays obscure instruments	indecisive	everyone can guess their crush	low self esteem
does way more than they have time for	band is life	never hangs out w anyone	weirdest music taste	can never get over the person they like
