You had to work OT	An employee arrived late	Someone asks for the time	Someone says have you tried turning it off and on again	Someone complains of a headache
People start talking about football	You get called into a meeting	Someone forgets their lunch	An employee is off sick	Someone mentions the weather
The printer jams	You have a computer malfunction	**FREE**	At least two people are late due to traffic	Someone comments on the time
Someone complains its too cold	Someone sneezes twice in a row	Someone complains its too hot	Someone brings in snacks	Someone forgets their lunch
Someone asks you for gum	It's someone's birthday	Someone leaves work early	You receive a call from an angry employee	Somebody mentions they are on a diet
