

Struggle with technology	"Do you guys know this song"	5 seconds of pure fillers	Misspells a word on the board	Inability to pronounce a given word
"Young engineers of America"	Shoots the laser at someone	Looks at someone and says "right"	"Gang"	Mentions an unwarranted gruesome war tactic
Poses a random question not about the lesson to nobody in particular	Talks about football out of nowhere	FREE	"Good man"	Checks his phone in the middle of a lesson
Depressing music	Plays a video instead of teaching	Ends class ~10 minutes early	Calls someone by their last name	Interrogation
Bad comparison to today	"That's a test question"	Makes a bad joke	Watches game film	3 minute long tangent with nothing to do with the subject
