Watching a video instead of teaching	"Gang"	Can't figure out technology	Misspells a word on the board	Inability to pronounce a given word
5 seconds of pure fillers	Watches game film	Makes a bad joke	"Good man"	Mentions how he is "getting old"
Talks about football out of context	"Hey _____ do you know this song?"	**FREE**	Looks at someone and says "right"	Ends class ~10 minutes early
Ends class ~10 minutes early	Poses a question not about the lesson to nobody in particular	Goes off on a 3 minute long tangent with nothing to do with the subject	Mentions an unwarranted gruesome war tactic	Shoots the laser at someone
Depressing music	Checks his phone in a lesson	Interrogation	"That's a test question"	"Young engineers of America"
