

I have traveled outside the US	I am allergic to shellfish	I dressed up for Halloween this year	I have lived in 3 or more states	I have been on TV
I can tell you Darcey's dog's names	I have started my Christmas shopping	I have colored my hair in the last 30 days	I am an only child	I have had surgery in the last year
I have never traveled outside MN	I played sports in high school	FREE	I am married	I have a twin sibling
I have attended church in the last 30 days	I have moved in the last 6 months	I have been divorced	I have a tattoo	I have been to a class reunion in the last 365 days
I have a son	I can recite the pledge of allegiance	I have gone to the movies in the last 30 days	I will share 1 thing about myself no one here knows	I can tell you a joke right now
