I wasn't born in MN	I am an only child	I don't drink coffee	I have started my Christmas shopping	I have colored my hair in the last 30 days
I can recite the pledge of allegiance	I play a musical instrument	I have lived in 3 or more states	I am currently in school	I have played mini-golf
I like football	I will share 1 thing about myself no one here knows	celebrate	I am married	I have been divorced
I have been on you tube	I have traveled outside the US	I have been pulled over for speeding in the last 6 months	I have a tattoo	I have gone to the movies in the last 30 days
I have a daughter	I am the baby of my family	I have moved in the last 6 months	I'm left handed	I can tell you a joke right now
