|---|---|---|---|---|
| I think global warming is not a problem | I LOVE my car | I drive an electric vehicle | I know where to recycle plastic bags | I have solar panels on my house |
| I do not like K-Cups | I think environmental issues will only become important when financial benefits are involved | I know someone affected by a natural disaster | I am a diver | I know where to recycle ink cartridges |
| I think deep sea animals look scary | I think the problem of oil at sea is overrated | **FREE** | I came to this event by carpool or public transportation | I have contacted my elected official(s) about an environmental issue |
| I have heard of the EarthKeepers Program | I know who Rachel Carson is | I have never been seasick in my life | I have a backyard compost | I know The UMC's stance on Water |
| I have a National Parks Pass | I currently recycle paper plastic and cans | I know what a gannet is | Occasionally I eat seaweed | I don't know how to swim |
