You are an angel.	BOOM!	I am so hungry I could eat a horse!	The ocean sighed.	Our new house cost a bazillion dollars.
He is a pig!	You are a walking dictionary!	The clock laughed with each passing second.	CLANK!	The leaves waved in the wind.
The world is a stage!	You are as beautiful as a flower.	FREE	CRASH!	Life is a highway.
Lightening danced across the sky.	The sun smiled down on me.	Otterbein is the best college of all time!	It was so cold I saw polar bears wearing jackets!	POW!
If I don't get an iphone I will die!	Grandma is as old as dirt.	The kids were monkeys on the jungle gym.	You are as cool as a cucumber.	Her hair was silk.
