Stick out your tongue at someone near you	Ask someone to pass the food rather than reach across the table	Don't gobble your food	Say "may I please be excused" before leaving the table	Greet someone by saying hello
Don't chew with your mouth open	Sit properly (and straight) in your chair	Make funny noises while drinking your drink	Ask to be excused from the table when everyone has finished eating	Say "excuse me" or "I'm sorry" if you burp
Say please and thank you	Use a knife and fork to cut your meat	FREE	Chew with your mouth closed	Don't talk with your mouth full
Get up from table during the meal without asking	Say "no thank you" if you don't want a certain dish or are full	Grab someone else's snack	Don't talk with your mouth full	Help clear up the table
Don't play at the table	Chew with your mouth open.	Put your napkin on your lap	Wait until everyone is seated before starting to eat	Don't eat with or lick your fingers
