Understand the situation	Are you being fair?	Don't make things worse!	Take time to calm down	Remember who can help you in school
Don't change the subject	Try to think of a solution together	See the other persons point of view	Ask for someone else to help	Try seeing the good in people
Work Together	Be honest	No screaming or kicking or fighting	No telling of secrets	Treat people fairly
Perhaps share progress with someone else	Stick to the agreement	Listen to the other person	Say how you feel	Don't blame anyone
Talking can lead to a solution	Don't gang up with others	Work out what each of you will do	Don't interrupt	No insults
