The wind howled in the night.	America is a melting pot.	Hail pounded the houses and streets.	The hospital was a refrigerator.	Personification
As bold as brass.	The thunder was grumbling like it was angry.	Simile	As big as an elephant.	The classroom was a zoo.
The snow is a white blanket.	Time is money.	**FREE**	As black as coal.	Metaphor
My flowers were begging for water.	The ivy wove its fingers around the fence.	My teacher is a dragon.	Lightning danced across the sky.	Rita heard the last piece of pie calling her name.
He is a shining star.	As blind as a bat.	The car complained as the key was turned.	Tom's eyes were icy.	Figurative Language
