

B	I	N	G	O
Why did I commit to this?	*Drug binge*	Anxiety time !!! :)	Seroquel saves the day!	Goes for days without sleeping
stable for a week do I even have a mental illness?	Suicide is inevitable	Is this my PMS? Or a mixed episode?	*discharged by therapist during a hypomanic phase*	SEX SEX SEX!! Or not wanting sex at all.
Suddenly nothing has meaning anymore.	"Have you tried Keto/Yoga/CBD?"	FREE	*obsessive sobriety/healthy living*	Childhood trauma
Comorbid ADHD	Sleeps for a week	Feeling like the emperor of Rome	Cannot answer personality tests	Hypo-mania
Are my meds even working?!	*spends all the money and then spends more*	Obsessive Compulsive Disorder (OCD)	"So... like girl Interrupted?"	Am I manic? Or just happy?
