

B	I	N	G	O
terrified of rejection	VERY INDECISIVE	feels incomplete without a partner	procrastinator	patient
comes off as condescending	suppresses own feelings to spare others	personal need to be loved by everyone	argument isn't over until they win	politeness mistaken for "being fake"
short temper	the "compromiser" of their friend group	FREE	avoids confrontation at all costs	neutral good
overly defensive of themselves & others	quietly resentful	passive aggressive	inferiority complex	perfectionist
goes off on tangents	charming to get what they want	pet peeve: nosy people	wants to make EVERYONE happy	deceived easily
