would travel the world right this second if they could	RUNS AWAY FROM ALL THEIR PROBLEMS	gets frustrated when ppl poke holes in their ideas	reputation is important to them	messy room
doesn't want adult responsibilities	their opinions are important to them	not the best listener	big talker	pet peeve: pettiness
takes it personally when ppl disagree with them	"everything will work out on it's own!!!!"	FREE	dislikes neediness in partners	horrible at organizing
irresponsible	straightforward with what they want	loves romantic adventures	hates to be cooped up for too long	need for personal freedom
hates feeling fenced in	doesn't commit easily	optimism is blind to reality	"i'm just gonna wing it lol"	forgetful
