

B	I	N	G	O
stubborn streak	IMPULSIVE	expects too much from themselves	often accused of lacking compassion	hates being taken off guard
enjoys being useful & productive	strong need to control surroundings before it controls them	looks for safety and security everywhere	considered "the responsible child"	needs to be respected by others in order to feel secure
shuts themselves away from the world	wants clear boundaries & realistic goals	FREE	cool-headed	gets bothered when others don't "get" the thing that is obvious to them
great organizer/planner	others' image of their relationship matters to them	hard on themselves	friends rely upon them the most to fix things	hides sensitivity behind sarcasm
fear of not living up to partner's standards	doesn't openly display emotions (esp soft ones)	messy emotions in others put them off	"am i doing enough? do i deserve all of this?"	even when joking they seem deadpan
