V-tach on monitor or just a patient eloping?	Bathroom cleaning being done when it's the one opportunity you have to go	Farted and blamed it on the patient	Receive a 10/10 pain Facebook message from patient	New orders: Lasix along with F/C Removal
Dr. progress notes entered 3 days after discharge	Urine on your shirt	Propofol indicated for talky talky patients	Doctor "borrows" stethoscope and pens but never returns them	Pt presses call-light 76 times in 5 minutes
Stool on your watch	Vomit on your pants	FREE	Dr touches IV pump and screws it up	Laughter is the best medicine; except for treating diarrhea
Mystery fluid on your shoes	Report not called	Naked patient ambulating down the hallway	Incoming admission at 5:59pm	Phone rings every time you try to walk away
Has anyone seen Dr. Dickey?	Dr. Miller still laughing at his own joke.	Psych patient on the medical floor	When you need to scratch your nose but your gloves are covered in feces	Family member at bedside has a "few questions"
