

social	a good friend	hides feelings	quotes one philosopher way too often	lowkey a nihilist
feels misunderstood	smart	overthinks	believes in aliens	self-loathing
stubborn	drugs as coping mechanism	lazy	likes their own way	sarcastic as fuck
loves making people laugh	procrastinates	independent	observant	easily bored
rebellious	fun	will not let anyone see their music library	has creative talents	just fucking weird
