

B	I	N	G	O
You like to wear hats.	You are good at a staring contest.	You have been to a concert.	You like icecream sundaes.	You have never had a deja vu.
You have a favorite quote.	You like to exercise.	You know all the lyrics to a song.	You are good with math.	You like cupcakes more than donuts.
You like to do chores.	You sing in the car.	FREE	You can name all 50 states.	You have lived out of the country.
You have made pizza at home.	You like to build things or you are handy with tools.	You have never been on a train.	You have gone fruit picking.	You have ran a marathon.
You have changed a car tire.	You completed a new year resolution.	You know someone who cannot read or write.	You watch or read the news.	You have been to New York.
