

L	O	T	U	S
takes Metformin as a daily regimen	a distinguished public servant for 40 yrs who served 7 Presidents	has technical skills & artistic eye who wish he worked for Playboy Mag.	prepares difficult test questions and hopes there's no leakage	lived in the US for some time but went home for good
goes back & forth from here and abroad for Apostolic duty	stole a car emblem at the school parking lot	mixed and made delicious ice cream flavors	been traveling around the world with a doctor in tow	prayed for departed Prepians in our 1st GR in '99 but one has resurrected
spent some time at Camp Crame during Martial Law	was tormented by Rex Eliseo in high school	FREE	catered many MR's where classmates paid with SR card discount-may sukli pa!	hopped into someone's car thinking it was her 'sundo'
hosted the grandest wedding of a daughter in US	scared the hell out of his wife when he fainted	left for vacation wearing an unmatched pair of shoes	hitched on a ship of all male crew and hooked up with the captain	made us laugh in HS and now the Funny Lady of Songs!
headed the Phil Army during the East Timor conflict	did the covers of a prestigious magazine in HongKong	playing lucky 9 using text book pages	wore the most planchadong skirt with almirol in HS	has a US Patent for a 'locked up' invention
