

30 Shades of grey

You are going to have to learn to keep still	Dominant	I don't do vanilla	Playroom	I'm thirty shades of fucked up
I aim to please	What is it about elevators?	Later's Baby	Enlighten me then	Mr. Grey will see you now
Submissive	You are mine	FREE	Every time you move tomorrow.I want you to be reminded that i've been here.ONLY ME.	I want you to want to please me
I won't touch you not until I get a written consent from you	Stop biting that lip	I'd like to bite that lip	I want you sore baby	I've never wanted more until I met you
I don't make love I fuck...hard	Fuck the paper work	Love me like you do	You're here because I am incapable of leaving you	I do believe you're making my palm twitch
