Think before you play	Chlamydia	He was a tinder date	She said she was clean	It's not only one person you're getting in bed with
Get yourself Tested (GYT)	The Gift that keeps on giving	Roses are Red Violets are Blue I have an STD Now so do you	Don't catch them all	Sharing is caring until an STD is involved
The "Clap"	Trichomoniasis	FREE	Genital Herpes	I got more than a date
I'm STD Free	Syphilis	Is this normal?	Hepatitis B (HBV)	No Glove No Love
Hepatitis A (HAV)	Genital Human Papillomavirus	Safe Sex	You should probably get that looked at	HIV
