

tries to be funny but just ends up being weird	'90s alternative music	good but slightly detached relationship with parents	socially awkward	lives in the middle of nowhere
da mom jeans or da mom jeans fo today	terrible sense of rhythm	oat milk chai lattes	bad at art	sarcastic humour
spotify stalker	tries to talk about themselves in an attempt to relate to other but comes off as self-absorbed	FREE	basketball team benchwarmer	indecisive
jangly indie rock	south asian parents	likes to code (python because fuck java and C)	ice tea from cartons	never uses snapchat
hates tight clothing because insecure	class nerd	oldest sibling	used to be amazing at spelling but now relies on autocorrect	ex sleater-kinney stan
