I watched a movie	I am excited about this class	I got 10 000 steps once this week	I said a thank you	I have watched the sunrise
I cooked dinner last night	I was caught doing good recently	I learned something new this week	I am on task today	I received constructive feedback
I walked to school	I will/or did eat school lunch today	CTE Free Space	I bring my lunch everyday	I have been to VA
I have been to an escape room	I shared an innovative idea	I have lived in Durham	I have an idea that I can share	I know everybody in this class
I have a lucky piece of clothing jewelry I wear to school	I collaborated across grounds	I read an article/book this week	My sports team won their last game	I exercise at my desk
