I will/or did eat school lunch today	I am excited about this class	I have a lucky piece of clothing jewelry I wear to school	I said a thank you	I learned something new this week
I cooked dinner last night	I watched a movie	I read an article/book this week	I am on task today	I was caught doing good recently
Mrs. Ramirez's class is my favorite	I bring my lunch everyday	CTE Free Space	I have been to an escape room	I have watched the sunrise
I walked to school	I know everybody in this class	I received constructive feedback	I have an idea that I can share	I live in Durham
I collaborated across grounds	I shared an innovative idea	I exercise at my desk	My sports team won their last game	I got 10 000 steps once this week
