Used a screen as a baby sitter	Baby food came out of a jar	Forgot the "Tooth Fairy"	Threw away their art work	Put to bed early for no reason
Didn't read to them today	Used a dummy to make them quiet	Still haven't lost baby weight	Birthday party was not pintrest worthy	Swore around my kid
Up until pm on a school night	Yoga pants and hat for school drop off	FREE	Bought a bunch of stuff for baby I didn't need	I purchased non organic food
I use disposable nappies	Took the batteries out of their toy	On my phone at the park	Hid in the bathroom with a chocolate bar	Sing anything other than Disney
Gave in to a tantrum	Bribed my kids to behave	Still not completed my baby book	cookies for breakfast	Failed to cherish every moment today
