listening to feedback	Accepting your Role	Giving direct answers	admitting when you are wrong	Playing the victim card
Dedication	doing the bare minimum	Procrastinating	Admitting when you are wrong	Telling people what you think they want to hear
creating confusion	running away or hiding	FREE	Commitmentp-Sticking with it for better or worse	Lying
Making changes when needed	avoiding the issue at hand	Owning your mistakes	Honesty	Pointing Fingers at others
Giving vague unclear information	Cover ups. smoke screens	Quitting when things get tough	transparency-not hiding the details or facts	Distancing yourself from your problems
