listening to feedback	Accepting your Role	Integrity- Your yes means yes and your no means no	admitting when you are wrong	Pointing Fingers at others
Honesty	doing the bare minimum	Setting a deadline and sticking to it	Admitting when you are wrong	Your words are consistent with your actions
avoiding the issue at hand	purposely going into a crisis to bail out of the situation	FREE	Commitment -Sticking with it for better or worse	Making excuses
Owning your mistakes	avoiding the issue at hand	Playing the victim card	Making changes when needed	Procrastinating
Lying	Giving vague unclear information	Telling people what you think they want to hear	transparency-not hiding the working with others on your team	Humility: Willing to listen and keep learning
