

B	I	N	G	O
The most effective way to stop the spread of infection	1:1 suicide documentation	Care Channel	Pt should have this device in reach at all times.	Frequency of turning/ repositioning
A in SAGE	Surgical V/S	Isolation for TB patient	2 patient identifiers	Normal HR
S in SPRING	Weigh pt on _____ & _____	free	3333	Coughing when eating is a sign of
Foley care is done q shift to prevent	Routine V/S	Frequency of rounding	Code 4	G in SAGE
Code 1	5 P's	NPO	sign of hypoglycemia/low blood sugar	AC & HS
