Went for a walk outside	(Over)indulged in comfort food	Forgot to turn on your webcam	Talked to yourself	Never showered all day
Forgot to go ON mute ????	Vowed to watch/read less news	Rearranged/cleaned within webcam frame?	Created a daily schedule	Tried to walk away w/ your headset on
Wore pajamas to a "meeting"	Did your FULL "hair & make-up routine"	FREE	Professional on top/sweats on bottom	Inventoried your TP stash
Felt guilty about touching your face	Met a neighbor for the first time	Took a call while outside	Missed your coworkers	Somebody walked in during a call
Touched your face in the last 20 minutes	IM'd a coworker just to say hello	Had more than 5 IM conversations going at once	Ordered take-out	Dog barked on a call
