Went for a walk outside	(Over)indulged in comfort food	Forgot to turn on your webcam	Talked to yourself	Ordered take-out
Felt guilty about touching your face	Vowed to watch/read less news	Rearranged/cleaned within webcam frame?	Created a daily schedule	Tried to walk away w/ your headset on
Wore pajamas to a "meeting"	Did your FULL "hair & make-up routine"	FREE	Inventoried your TP stash	Met a neighbor for the first time
Touched your face in the last 20 minutes	Missed your coworkers	Somebody walked in during a call	Had more than 5 IM conversations going at once	Professional on top/sweats on bottom
Dog barked on a call	Took a call while outside	Forgot to go ON mute	"Multi-tasked" during a call	Forgot to go off mute
