

I've had SEX

on an island	For money	With my friend bf/gf	in the rain	in front of a fireplace
One night stand	on a staircase	in public	In my moms room	in the kitchen
on a plane	on pornhub etc	RTC 2018	Next to a friend	in a boat
in a hot tub	in the shower	in every room of the house	at the office	in front of my friends
at a hotel	On drugs	in the car	with a friend	While people watched
