| On top of a hill or mountain with a view | At a hotel                    | In front of a fireplace | On a plane    | In the shower              |
| In a tent                                | On the couch                  | On a boat               | At the office | On a island                |
| On the beach                             | On top of a washing machine   | On camera               | In a hot tub  | In the car                 |
| In the kitchen                           | On a staircase                | In the rain             | In public     | In the woods               |
| In front of my pet(s)                    | In a room filled with candles | On a bridge             | With a friend | In every room of the house |
