

Theme party at a dorm	4th of July - American Party	Got with someone from a different continent	Said "I'll only skip today" and clearly lied	Lost your phone
Dropped out of a class	Spoke 6 languages after a few drinks	Polish polka party with unlimited vodka	An experience you have no idea how you survived	Roadtrip
Spent more money on alcohol than on food	Visited 5 different countries	FREE	Bought a secondhand bike	Lied about where you're from
Lost you wallet	Said "I'm not going out tonight" and went out	Lost your keys	International dinner	Met over 50 people in the first weeks
Heard way too many times "Where are you from?"	Couldn't close your suitcase when heading back home	Post study abroad depression	Went to a multi-floor night club	Friends came to visit - Rained every day
