

Slept overnight on a Flixbus	Ate at Mensa 3 times in one day	Got lost in downtown Köln	Missed the last tram to Junkersdorf	Let another student cut your hair
Gaffel was your go to beer	Said "I'm not going out tonight" and went out	Lost your keys	Couldn't close your suitcase when heading back home	Lost your wallet
Said "I'll only skip today" and clearly lied	Spent more money on alcohol than on food	FREE	Did a Shoey	Had a roadtrip
Had an experience you have no idea how you survived	Promised to stop drinking	Kissed someone from a different continent	Had a Lab on Saturday morning	Lied about where you're from
Got yelled at by an older German	Dropped out of a class	Lost your phone	Went to class with a hangover or drunk	Got Post-study abroad depression
