Visited all 3 campuses	Admit H-Wing looked prison-like	Fell on hard times eat Ramen for 3 days straight	Pulled an all nighter on campus	Learned on YouTube instead of Proff
Did not hand or upload assignment on time	Took a random course i.e (rain) to boost GPA	Never knew that Paul Bernardo went & graduate from UTSC	Almost missed an exam or quiz because of TTC	Thought UTSC is way easier than UTSG & downtown but was wrong !
Watched a whole movie during lecture	Asked stranger to watch your stuff	FREE	Loved the diversity	Got chased by angry gangster mafia geese
Developed some depression or anxiety uni	Had 5 cups of coffee in one day	Spend way too much money at the bookstore on U of T sweats and have zero regrets	Had no social life just before exams	Never went used Toronto Pan Am Centre but paid for it
Spent O\$AP on UOFT gear instead of books	Flexxed on Rex's den food then got broke	Finally make it to Convocation Hall and took a selfie with diploma.	Lost T-Card multiple times	Clubbed 3 weekends in a row
