

|                                       |                                    |                                 |                           |                                        |
|---------------------------------------|------------------------------------|---------------------------------|---------------------------|----------------------------------------|
| <b>B</b>                              | <b>I</b>                           | <b>N</b>                        | <b>G</b>                  | <b>O</b>                               |
| Went to the big field near the movies | As a freshmen walk up the stairs   | Ever bought snacks from nikkae  | Skip class                | Made out at staircase B                |
| Chilled at Fulton center              | Went to prom                       | Ran to the 14 floor             | Ate free free             | Seen a black guy with red eye contacts |
| Use the bathroom at the 11 floor      | Went to the deli when going to gym | <b>FREE</b>                     | Bought food from the cart | Had Paz                                |
| Had freshmen girlfriends as seniors   | Sneak into the kids playground     | Had half a day on Wednesday     | Had Mr spots              | Played bored games near the park       |
| Got head at staircase B               | Chill in the cemetery              | Saw a movie in the lecture hall | Witnessed a fight         | Cut class for a chill out              |

|                                     |                                  |                                       |                           |                                        |
