B	I	N	G	O
Volcano eruption	Anarchy / riots start / Government falls	Heartwarming stories of people putting their life in danger	The literal doomsday clock hits midnight	Pictures of an abandoned city
Famine and starvation	Ttems become currency	President / leader makes an president address (or equivalent)	Apocalypse fashion becomes A Thing	Technology knocked out
Tsunamis	War	FREE SPACE! alien invasion?	Earthquakes	Ocean rises and floods costal cities
People doing morally terrible things but people are too distracted by everything else to pay attention	Traffic jam of abandoned and empty vehicles	People try to evacuate but there's no where to go	Maps made of showing current disaster and how it's spreading	Plague / new disease / old disease increases in danger
Ice age	Economy crashes	Random people on the street saying the end is near	Wildfires	Government / authority figure has to warn the public about upcoming events
