

B	I	N	G	O
Volcano eruption	Anarchy / riots start / Government falls	Heartwarming stories of people putting their life in danger	Technology knocked out	People try to evacuate but there's no where to go
Famine and starvation	Tsunamis	Plague / new disease / old disease increases in danger	Apocalypse fashion becomes A Thing	Random people on the street saying the end is near
Traffic jam of abandoned and empty vehicles	War	FREE SPACE! alien invasion?	Earthquakes	Maps made of showing current disaster and how it's spreading
Ocean rises and floods costal cities	The literal doomsday clock hits midnight	People doing morally terrible things but people are too distracted by everything else to pay attention	Items become currency	Pictures of an abandoned city
Ice age	Economy crashes	President / leader makes an president address (or equivalent)	Wildfires	Government / authority figure has to warn the public about upcoming events
