Went to the copier to realize you forgot to press print no documents there	A coworker brings in a treat for everyone	Did a favor for another employee to help them out	Someone thinks It's too hot	Made a tea
Covered someones break	Visited at the front desk for a minute	Received an email from your supervisor	A coworker shared a funny client story	Signed letters for a coworker
Spoke to someone from home 3 times today	You set your phone on DND	FREE	Ate a snack at my desk	Hear your coworkers radio playing
Brainstormed with another employee	Internet went down	Someone thinks it's too cold	Made a coffee	Spoke to someone from another office
Had a thankful client	Missed a call	Got a call from the vestibule	Bad language was heard	Referred a client to Employment Options
