

Cocaine

Tweaked in a parking lot	Abandoned a vehicle on the side of the highway	Did your makeup in a car mirror	Sat in strangers poop by accident	Lived out of a car
Broke up with your new boyfriend/girlfriend you met in detox	Tweaked in a dumpster	Lost your purse/wallet	Accidentally became a get-away-driver	Passed out on a mound of grass
Took a bath in a sink	Waited for cops to arrest you so you could nap	FREE! FREE!	Accidentally got into a high speed pursuit	Got fat in rehab
Got in a fight over makeup	Told a cop to "hang on a sec" while getting high	Had a wild animal for a pet	Fell in love in detox	Lived out of a purse/wallet
Dumped all your dope while fluffing the bedsheets	Ate unidentifiable food	Passed out on a bus bench	Went shopping with a drug smuggler for aquarium fish	Crapped in an alley
