

DIRTY BINGO

Thought about killing someone	Almost died in the worst way	Called someone the wrong name in bed	Kissed a Stranger	Gone Streaking or been nude somewhere you shouldn't have been
Been overheard shit-talking or sent a text to a person you were shit talking	Shit Your Pants	Had to fake it...	Almost or Been Arrested	Hooked up with someone you weren't supposed to
Pissed your pants laughing	Threw up in public	KISSED SOMEONE BY MISTAKE	Been chased by a wild animal	DROPPED AN ITEM IN THE TOILET AND HAD TO RETRIEVE IT WITH HANDS
Did someone bad to someone and they never found out	Lied about stealing from family	Flashed someone	Cheated and got away with it	Had Sex in Public space (like his friend)
Caught having sex (Ryan doesn't count)	Been in a physical fight	Hooked up with a family member	licked someone's food	Bombed in front of an audience
