

B	I	N	G	O
Yesterday is the same as a week ago. They feel exactly the same.	"My arm feels weird because my head hurts" and other shit that makes no sense.	Hello hallucinations	THEAAAAAPPPYYYYYYY	Random cussing
Forgot the second half of your sentence	Why is my _____ numb?	Sleep paralysis	Aphasia	Sleep too much
What was that word again? Oh yeah "blue."	Zero motivation	FREE	Every kind of therapy	Lack of taste/smell
Migraine	Time means nothing	My eyes won't focus	I'm angry because I'm angry	Seizure
I have reminders to set reminders	FUCK!	Sleep too little	weird dreams	Forgot where you live
