

B	I	N	G	O
Yesterday is the same as a week ago. They feel exactly the same.	"My arm feels weird because my head hurts" and other shit that makes no sense.	Forgot where you live	Sleep too much	My eyes won't focus
FUCK!	What was that word again? Oh yeah "blue."	Seizure	"Why is my _____ numb?"	Sleep too little
Time means nothing	Zero motivation	FREE	Aphasia	I'm angry because I'm angry
Lack of taste/smell	THERAAAAAPPPYYYYYYY	Migraine	I have reminders to set reminders	Random cussing
Hello hallucinations	Every kind of therapy	Sleep paralysis	weird dreams	Forgot the second half of your sentence

B	I	N	G	O
Zero motivation	"Why is my <u> </u> numb?"	Sleep too much	FUCK!	Seizure
