Worked with her at a job & she left (she's that bitch)	Been to one of her art shows	Gone to Vegas with her	She's surprised you with her generosity	Played "Never Have I Ever" with her
Drank a shot from her travel shot collection	Touched her smooth skin	She's given you a homemade gift	Been to one of her pop-ups	She's made you feel beautiful
Talked about starting a business together	You've asked her "What's your secret?"	SHE'S 30!	Bought one of her products	Laughed so hard you've peed
Learned a new skill from her	Taken an international vacation with her	Met a new person through her	Had a slumber party with her	She's cooked you dinner
Gone to the beach or pool with her	Collaborated on something together	She's made you a dessert	You've thought "Is she hitting on me?"	Gone out to dinner with her
