

Maths Vocabulary

repeated addition	Degree	difference	perimeter	hundredths
decimal	remainder	more than	area	numerator
quotient	subtract	FREE	associative property	expanded notation
constant	factor	prime number	fraction	product
divide	less than	distributive property	composite number	multiple

Maths Vocabulary

subtract	prime number	numerator	multiple	product
associative property	constant	hundredths	decimal	less than
area	equivalent	FREE	Degree	fraction
repeated addition	composite number	variable	perimeter	more than
difference	expanded notation	factor	divide	remainde r

Maths Vocabulary

decimal	product	factor	perimeter	Degree
subtract	numerator	difference	constant	less than
expanded notation	equivalent	FREE	associative property	area
composite number	quotient	hundredths	distributive property	multiple
remainder	repeated addition	fraction	divide	denominator
