

B	I	N	G	O
In the College of Education	I am a First-Generation Student	I have been a bully	I would categorize myself as a perfectionist	I know what I want to be when I grow up
I am too proud to ask for help	In the College of Business	I pray to a god	I am afraid to make mistakes	In the College of Arts and Sciences
In the College of Engineering and Technology	I am an only Child	I have no clue what I want to be when I grow up	I have traveled out of the country	I would categorize myself as an introvert
I have watched more than 2 movies with sub-titles	I speak another language	I have been bullied	I plan on working while at school	I am not afraid to ask for help when I need it
I would categorize myself as an extrovert	I have a big family	In the College of Health and Human Services	I have a friend of a different racial background	I have lived in more than 2 states
