

B	I	N	G	O
Want to work with adults	Applied to more than 10 clinical programs during application season	Enjoy baking	Received an email about an email	Have lost track of the days during quarantine
Drinking coffee is your personality now	Video-chatted a friend to "study" or "work together" and then ended up chatting for hours	Originally from DC or Maryland or Virginia	Bad zoom or google hangouts connection	Plays a musical instrument
Said "screw grad school" and then immediately started working again	Want to work with children and/or adolescents	FREE	Being tired is your personality now	Excited to be a clinical psychologist
General sense of doom	Received an email with the words 'unprecedented circumstances'	Have a pet	Enjoy yoga	Likes to draw or color
Enjoy cooking	Can speak more than one language	Originally from outside of the United States	Was nervous during interview day	Drinking tea is your personality now
