Fell in the OR	Spilled dye or betedine on yourself	Had urge to go to the bathroom in the OR	Been sassy	Known the surgeon's glove size by memory
Received the wrong tray	Yelled in the OR	FREE	Blamed anesthesia	Found a missing raytec
Got yelled at in the OR	Picked up extra call shifts	Had a case cancel	Found a missing needle	Had to break down your sterile field
Forgot to wear your OR shoes	Fainted or seen someone faint in the OR	Known the residents glove size by memory	Your pt ate a sandwich day of surgery	Forgot to put lead on before scrubbing in
