

B	I	N	G	O
substitution property	Exterior angle theorem	comparison property of inequality	midsegment theorem	identity property
centroid	remote interior angles	inscribed	Hinge theorem	midsegment of a triangle
perpendicular bisector	transitive property	FREE	altitude of a triangle	concurrency of perpendicular bisectors Theorem
concurrent lines	orthocenter	equidistant	concurrency of medians theorem	incenter
concurrency of angle bisectors Theorem	angle bisector	median	triangle angle sum	circumcenter
